

BLS for the Healthcare Provider On-Line training

The student receives training on-line from the American Heart Association.Â Then we evaluate the skills and administer the written test (if needed) for the student so that the student may receive a CPR Healthcare Provider Card.

Skills evaluation only after online preparation (approx. 1 hour)

Â

- Course must have been completed on line and participant must provide proof of passing grade on 20 question multiple choice test.

Skills evaluation and written test after online preparation. (approx. 1 1/2hours)

Â

- Course must have been completed on line and participant must provide proof of completion of the course instruction.

Please go to <http://onlineaha.com/> for on-line training.

We offer American Heart Association CPR, ACLS, PALS classes in Missouri and Illinois.
